

## Mt. Olympus Berry Farm 2018 November Special CSA

**What is a CSA?** Community Supported Agriculture (CSA) is a system whereby members purchase a "share" of fruits and vegetables at the beginning of the season, at a time when farmers incur the highest costs. This provides farmers with much needed capital to get started each season and together farmers and members share in both the risks and bounty of the season. Each week the members receive their share of the harvest.

### Membership contract

For 2018 we are offering an extended season, 2 week share. You may also opt for an egg share add on.

I understand that by signing this agreement I am committing myself to picking up my allotted share. Pick up day will be on Saturday, Nov 3<sup>rd</sup> and Nov 11<sup>th</sup> from 10:00 am to Noon.

In the event that I am unable to pick up my share, I allow \_\_\_\_\_ to obtain the share on my behalf.

If share is not picked up by Noon, the produce will be donated to a deserving local family in need. Refunds or replacements will not be offered for missed pick ups. Exceptions may be considered on a case by case basis.

I understand that farming is a seasonal and unpredictable undertaking. Natural disasters such as drought, windstorms, too much rain and other "acts of God" may impact what products are available, how much of a particular product is available and the quality of the product. I understand that these conditions could occur and affect the product that I receive or even result in an entire crop failure. I agree to share in the fluctuations and variations inherent in farming and understand that my items will be grown and harvested with sound, sustainable farming practices.

Products not grown by our farm may be purchased from other local farmers who share in our farming practices. These partnerships allow us to offer a wider variety of items in our weekly boxes, reduce the risk to our members and support other local farmers.

I have read and understand the information provided and agree to the terms of this agreement.
